JOB EVALUATION AND PAY EQUITY

Introduction

This bibliography lists material on job evaluation as it relates to pay equity. It updates and replaces an earlier version dated June 1990. Selections are limited to items held by the Pay Equity Commission Library and published within the past ten years. Listings for books, chapters of books, articles, and conference papers have been included. Although the geographic coverage is world-wide, the emphasis is on Canada, the United States, and Great Britain. The bibliography is divided into four parts: Part A: **General**; Part B: **Gender Neutrality/Sex Bias in Job Evaluation**; Part C: **Specific Job Evaluation Systems**; Part D: **Computers in Job Evaluation.**
